VOLUNTEER OR LEADERSHIP EXPERIENCE

I led the SIGEPRO (Kickback Management System) project in 2016.

I led the PITABWÈ project (Restaurant Management . . .) in 2016.

VOLUNTEER EXPERIENCE

At ISPK's 2018 Student Scientific Journey I was 2nd in Computer Engineering Skills & Skills and 2nd place also in the 'Innovative Projects Presentation' category, where I competed with the KatApp Project.

I developed the Human Resources Module in the Genesis System (7Tech) in 2018.

I developed the Project Management Module in the Génesis System (7Tech) in 2018.

I Won ISPK's 2017 Student Scientific Journey in Computer Engineering & Skills.
